

The NEA Fund for Children works everyday to make sure that those elected are leaders our members and students can count on to fight for public education. Your contribution helps the NEA Fund realize the dream of a GREAT PUBLIC SCHOOL for every student.

Suggested DA Contribution from every delegate \$50.00

3 REASONS to Contribute

1. Every decision that effects public schools is made by an elected or appointed official. The FUND works to make sure those officials are education friendly!
2. The FUND supports NEA's work through professional learnings and trainings that support great public schools.
3. Contributing to the FUND allows you a chance to have a voice in who represents public education across the nation.

3 WAYS to Contribute

1. Payroll deduct a set amount from your check for the FUND. By deducting pennies a day you make a difference!
2. Participation in silent auctions, live auctions, and other activities.
3. Make a direct contribution to the FUND via www.neafund.org, cash, or check.

This year we have exciting prize opportunities for everyone who contributes to the NEA Fund.

How it works!
