Each **Insured** should read the whole policy. Each policy part contains important information.

I. INSURING AGREEMENTS

We agree to provide the **Insured**, as defined in Part II (H) below, with the coverages shown on the declarations page in return for the payment of the premium, and subject to the limits of liability, exclusions, conditions, and all other terms of this policy.

II. DEFINITIONS

A. ASSAULT. A physical attack on an **Insured** or an **assault** and/or battery as defined by the relevant criminal law. Proof of an **assault** and/or battery shall be a report of same to the appropriate civil police entity as soon as practicable.

B. CLAIM. The institution of a civil legal action against the **Insured** or the demand for money or services based on one or more **occurrences**. **Claim** does not include the institution of a criminal action.

C. CORPORAL PUNISHMENT. The infliction by an **Insured** of physical pain upon a student as a disciplinary measure for actual or alleged misbehavior.

D. CRIMINAL PROCEEDING. The prosecution of any **Insured** commenced by (1) the filing, with a court, of an information, a complaint, or an indictment, and any amendments thereto, alleging that the **Insured** had, during the policy period, committed one or more crimes involving one or more incidents, acts, or events, or (2) an investigation by a law enforcement agency that could give rise to such a filing. "Law enforcement agency" does not include a social welfare, child protection, or similar agency. Any **criminal proceeding** shall be considered a single **criminal proceeding**, notwithstanding the fact that the prosecution or investigation may involve multiple incidents, multiple counts or charges, and/or multiple trial and/or appellate proceedings. A subsequent or different prosecution or investigation based on the same incidents, acts, or events that provided the basis for the original prosecution or investigation shall not constitute a separate **criminal proceeding**.

E. EDUCATIONAL EMPLOYMENT ACTIVITIES. The activities of the **Insured** performed:

1. pursuant to the express or implied terms of his or her employment by an **educational unit**;
2. at the express request or with the express approval of his or her supervisor, provided that, at the time of such request or approval, the supervisor was performing what would appear to be his or her **educational employment activities** within the meaning of Part II(E)(1); or
3. as a member of a state board or commission which has as its primary purpose the licensure or certification of educators, or the setting of standards for such licensure or certification.

“Educational Employment Activities” does not include the activities of the **Insured** performed:

1. as part of the collective bargaining process; or
2. while acting in the capacity, whether paid or unpaid, of a board member, a trustee, a director, a governor, or in a similar capacity, in a governing body of NEA or an NEA affiliate, or an **educational unit**.

F. EDUCATIONAL UNIT. This includes, but is not limited to, a school district; a college or university; a state department of education; an Overseas Dependent School operated by the Department of Defense; any other institution which has as its primary purpose the instruction of students; a division, department, or other administrative unit of a governmental entity which does not have as its primary purpose the instruction of students, if the primary purpose of the administrative unit is the instruction of students; or a state board or commission which has as its primary purpose the licensure or certification of educators or the setting of standards for such licensure or certification.

G. EMPLOYEE. Any natural person who shall receive salary or wages in exchange for performing **educational employment activities** on behalf of a school board, board of trustees, or similar governing body of an **educational unit**. There are four additional situations in which a natural person will be considered an **employee**:

1. when an **employee**, as previously defined, is working in teaching or related activities in an **educational unit** other than the one from which he or she receives wages or salary, and is doing so as required by an in-service training program, a continuing education requirement, or an advanced or specialized degree program;
2. when a natural person who is a college student is working in teaching or related activities in an **educational unit** as required by his or her educational program and the **educational unit** in question;
3. when a natural person is performing **educational employment activities** in and for or on behalf of an **educational unit**, but receives wages or salary in exchange for such activities from and is employed by an entity other than said **educational unit**; or
4. when a natural person otherwise qualifying as an **employee** under the terms of this policy is serving, with or without compensation, as a member of a state board or commission which has as its primary purpose the licensure or certification of educators, or the setting of standards for such licensure or certification.

H. INSURED. A natural person who, at the time of an **occurrence** or at the time of the alleged incidents, acts, or events which give rise to a **claim** or **criminal proceeding**, was:

2. a Life, Student, Retired or Substitute member of NEA, but not a member of the **unit** named in the declarations page, and an **employee** of a school board, board of trustees, or other similar governing body of an **educational unit**;

3. an **employee** of a school board, board of trustees, or other similar governing body of an **educational unit**, not a member of the **unit** named in the declarations page or NEA, but paying a fee to said **unit** and NEA pursuant to an agency shop or other union security arrangement, provided that a decision has been made, as evidenced by a checkmark in the appropriate box on the declarations page, to include such feepayers under the coverage of this policy; or

4. a member of a category listed under "Additional Insureds" in the declarations page, and an **employee** of a school board, board of trustees, or other similar governing body of an **educational unit**.

I. LOSS. Monetary amounts payable by the **Insured** in settlement of **claims** or in satisfaction of awards or judgments, including prejudgment interest, except that **loss** shall never include more than \$5,000 in punitive damages awarded to any party.

J. OCCURRENCE. Acts, errors, or omissions of the **Insured** or someone for whose acts the **Insured** is legally liable which result in damages to someone other than the **Insured**. An **occurrence** can involve a single **sudden** act, error, or omission or continuous or repeated acts, errors, or omissions related to or arising out of one cause or event. Continuous or repeated acts, errors, or omissions shall constitute a single **occurrence** and shall be deemed to have occurred as of the most recent act, error, or omission. The **occurrence** must take place during the policy period in order for coverage to be provided under this policy.

K. PEER REVIEW SYSTEM. A system in which an **employee**, who is not primarily employed to perform managerial or supervisory activities, evaluates or participates in the evaluation of the job performance of another **employee**.

Wheelchairs are not considered **vehicles**.

O. WE, US, or OUR. The company issuing this policy.

III. COVERAGES

Subject to the exclusions, conditions, limits of liability, and other terms of this policy:

A. COVERAGE A - EDUCATORS LIABILITY.

We agree to pay on behalf of the **Insured** any and all **loss**, subject to the limit of liability, as set out in the declarations page for Coverage A. Such **loss** must be sustained by the **Insured** by reason of liability imposed by law for damage caused by an **occurrence** in the course of the **Insured's educational employment activities**.

Supplementary Coverage. With respect to **claims** under Coverage A and in addition to the coverage indicated above, **we** shall:

1. Investigate, defend, negotiate, and settle any **claim** even if such **claim** is groundless or fraudulent. **We** shall not be obligated to investigate, defend, or conduct settlement negotiations on any **claim** reported to **us** after the limit of liability with respect to the member against whom the **claim** is made and/or the limit of liability with respect to the **occurrence** has [have] been exhausted by payment of **loss**. The **Insured** may retain, at the **Insured's** expense, counsel of its choosing to assist **us** when a **claim** seeks damages which exceed the limit of liability stated in the declarations for this coverage. With regard to **claims** brought other than in the United States, its territories or possessions, or Canada, **we** may choose to reimburse but not defend the **Insured** for the reasonable costs actually incurred in any such defense, upon notice to the **Insured** of such decision.
2. Pay all premiums on bonds to release attachments for an amount not in excess of the applicable limit of liability of this policy and on appeal bonds. **We** shall have no duty to apply for or furnish any such bonds.
3. Pay all expenses incurred in our defense of any claim, all costs taxed against the Insured, and all interest on that part of the judgment therein which does not exceed the applicable limit of liability which accrues after entry of the judgment and before **we** have paid, tendered, or given to the court that part of the judgment which does not exceed the limit of liability.
4. Pay all expenses incurred by the **Insured** for such immediate medical and surgical relief to others as shall be imperative at the time of the **occurrence**.
5. **Pay all reasonable expenses, other than loss of earnings, incurred at our request.**

Amounts paid by us as noted above are in addition to the applicable limit of liability.

Any **claim** against an **Insured** alleging a violation of any person's civil rights, as protected by the Constitution of the United States or of any state; the Civil Rights Acts of 1866 and 1964, as amended; the Americans With Disabilities Act; and any state or federal statute, regulation, or executive order, shall be subject to the coverage provided under this Coverage A, except:

1. the limit of liability applicable to these **claims** shall be limited to the amount shown in the declarations page for civil rights issues; and
2. any amount paid by **us** for any Supplementary Coverage (as those are specified in the second paragraph of this Coverage A) will be included in and not in addition to the applicable limit of liability as shown in the declarations page for civil rights issues.

Amounts paid by us for legal defense costs shall be subject to the legal defense costs limits shown under Coverage A in the DECLARATIONS.

B. COVERAGE B – REIMBURSEMENT OF ATTORNEY FEES FOR DEFENSE OF A CRIMINAL PROCEEDING.

We will reimburse the **Insured** for (1) reasonable attorney fees (including fees for the services of paralegals, law clerks, and/or investigators working under the direction of said attorney), and (2) reasonable and necessary costs, excluding loss of income, when incurred in the defense of any **criminal proceeding** arising out of what otherwise would be within the course and scope of the **Insured's educational employment activities**.

Reimbursement shall be made only if the **Insured** is exonerated by a court of law from all charges, or all charges are subsequently withdrawn or dismissed, or an investigation by a law enforcement agency is concluded without the filing of charges against the **Insured**. However, if the **criminal proceeding** is the result of the use of **corporal punishment**, said reimbursement will be made regardless of the outcome.

When the **Insured** is one of two or more defendants represented by the same attorney or law firm, payments shall be limited to the **Insured's** proportionate share of the total of the reasonable attorney fees and the reasonable and necessary costs paid.

Our liability per **Insured**, for each **criminal proceeding**, shall not exceed the limit of the liability shown on the declarations page for Coverage B. The limit of liability shall apply to the total amount of the reasonable attorney fees and the reasonable and necessary costs incurred by the **Insured** in the defense of a **criminal proceeding**.

C. COVERAGE C - BAIL BOND.

We will reimburse the **Insured** for the premium paid for a bail bond required of the **Insured** for each bond arising out of the **Insured's educational employment activities**, but without any obligation to apply for or furnish such bond, not to exceed the limit set forth in the declarations page for this coverage. For purposes of this coverage, a series of continuous actions by the **Insured** shall constitute a single event.

D. COVERAGE D - ASSAULT-RELATED PERSONAL PROPERTY DAMAGE.

We will pay up to \$500 for damage to or destruction of the **Insured's** personal property, or other people's personal property when being used by the **Insured**, or in the **Insured's** care, custody or control, which is caused by an **assault** upon the **Insured** on or on surrounding school property or while away from school property on an authorized school activity to the extent that such damages exceed the coverage provided by any Homeowners, Personal Property Floaters, or other similar valid and collectible insurance. This coverage does not apply to damage or destruction of a **vehicle** of any kind, or to damage to or destruction of property leased to, owned, or rented by an **educational unit**.

IV. LIMITS OF LIABILITY

Under Coverage A:

A. The limit of liability shown in the declarations page as applicable to “per member, per **occurrence**” is the most that **we** will pay for **loss** with respect to any one member arising out of any one **occurrence**.

B. Subject to the “per member, per **occurrence**” limits of liability, the most that **we** will pay with respect to all **loss** arising out of any one **occurrence** is the amount shown in the declarations page as applicable “per **occurrence** aggregate for all **claims**.” The fact that there might be multiple **claims** against an **Insured** as a result of an **occurrence** will not operate to increase the limit of **our** liability.

Under Coverage B:

The most that **we** will pay per **Insured** in reimbursement of all covered attorney fees and costs with respect to each **criminal proceeding** is the amount shown in the declarations page.

Under Coverage C:

The most that **we** will pay for the premium for a bail bond is the amount shown in the declarations page.

Under Coverage D:

The most that **we** will pay for damage or destruction to an **Insured’s** personal property is the amount shown in the declarations page.

V. POLICY PERIOD

This policy applies only to **occurrences** which take place during the policy period and **criminal proceedings** which result from allegations that a crime was committed during the policy period. The period of insurance shall begin and end at 12:01 a.m. at the **Insured’s** address.

- a. the action taken involves **corporal punishment**;
- b. the civil proceeding against the **Insured** is based on an alleged violation of any civil rights guaranteed by the Constitution or Civil Rights statutes of the United States or of a state, unless it is expressly found by the trier of fact that in taking said action the **Insured** specifically intended to violate the civil rights of the claimant; or
- c. the **Insured's** responses to the allegations made against the **Insured** in any civil proceeding indicate that the damages involved were not the intended consequence of action taken by the **Insured** or at the **Insured's** direction. Except as otherwise specified in paragraph b. above, if evidence obtained as a result of investigation, litigation, or otherwise demonstrates that said responses are not credible, this exclusion shall thereafter apply. **We** shall be entitled to reimbursement for the attorney fees, costs, and other expenses incurred by **us** in providing coverage to the **Insured**.

7. **LIBEL AND SLANDER. Occurrences** which involve damages alleged by a person or organization which arise out of the publication or utterance of a libel or slander, or of other defamatory or disparaging material, or in violation of a natural person's right of privacy, if the publication or utterance is made in a newspaper of general circulation, an electronic communication to which there is public access, or in the course of or related to advertising, broadcasting, or telecasting.

1. **ASBESTOS.** This policy does not apply to any **loss**, cost, damage, or expense based upon or arising out of the manufacture, mining, use, sale, installation, removal, distribution of, or exposure to asbestos, materials or products containing asbestos, or asbestos fibers or dust, or to any obligation of any **Insured** to indemnify any party for **losses**, costs, damages or expenses arising out of such liability.

2. **BOARDS OF TRUSTEES OF EDUCATIONAL UNITS.** This policy does not apply to an **Insured** while acting in the capacity, whether paid or unpaid, of a board member; a trustee; a director; a governor; or in any similar capacity, in the governing body of an **educational unit**.

a. any **claim** made or **criminal proceeding** brought against an **Insured** by or on behalf of another **employee** or former **employee** of an **educational unit** if the **claim** or **criminal proceeding** arises out of an **occurrence** in the course of the **Insured's educational employment activities** as a participant in the **peer review system** of an **educational unit**. However, this exclusion shall apply to an **assault** upon the **Insured** by another **employee** or former **employee** of an **educational unit** if the **assault** arose out of an **occurrence** in the course of the **Insured's** aforementioned peer review activity;

b. any **claim** made or **criminal proceeding** brought against the **Insured** by or on behalf of another **employee** or former **employee** of an **educational unit** if the **claim** or **criminal proceeding** arises out of an **occurrence** in the course of the **Insured's educational employment activities** as a member of a board or commission, established by the **Insured's** state's government, which has as its

d. any **claim** made or **criminal proceeding** brought against an **Insured** by or on behalf of an **employee** or former **employee** of an **educational unit**, when the incident which precipitated the **claim** or **criminal proceeding** did not arise from such **employee's** or former **employee's** status as such, and has no relationship to the terms and conditions of employment of said **employee** or former **employee**.

8. **NUCLEAR.** This policy does not apply to bodily injury or property damage with respect to which the **Insured** is also an insured under any policy issued by the Nuclear Energy Liability Insurance Association; the Mutual Atomic Energy Liability Underwriters; or the Nuclear Insurance Association of Canada, or would be an insured under any such policy but for its termination upon exhaustion of its limit of liability.

This policy does not apply to bodily injury or property damage which results from the hazardous properties of nuclear material and with respect to which: (a) any person or organization is required to maintain financial protection pursuant to the Atomic Energy Act of 1954, or any law which amends this Act; or (b) the **Insured** is, or had this policy not been issued, would be entitled to indemnity from the United States of America, or any of its agencies, under any agreement entered into by the United States of America, or any of its agencies, with any person or organization.

This policy does not apply to bodily injury or property damage which results from the hazardous properties of nuclear material, if the nuclear material: (a) is at any nuclear facility owned by the **Insured**, or operated by or on the **Insured's** behalf; or (b) has been discharged or dispersed from such nuclear facility.

This policy does not apply to bodily injury or property damage which results from the hazardous properties of nuclear material if the nuclear material is contained in spent fuel or waste at any time owned, handled, used, processed, stored, transported, or disposed of by the **Insured** or on the **Insured's** behalf.

This policy does not apply to bodily injury or property damage which results from the hazardous properties of nuclear material if the bodily injury or property damage arises out of the **Insured's** services, materials, parts, or equipment, in connection with the planning, construction, maintenance, operation, or use of any nuclear facility. However, if such facility is located within the United States of America, its territories or possessions, or Canada, this paragraph applies only to property damage to such nuclear facility and any property thereat.

VIII. CONDITIONS

A. ACTION AGAINST US.

No action shall lie against **us**, unless as a condition precedent thereto, the **Insured** shall have fully complied with all terms of this policy. In the event of the **Insured's** bankruptcy, insolvency, or death, **we** shall not be relieved of payment under this policy but shall be required to make such settlement as would have been payable but for such bankruptcy, insolvency, or death.

B. ARBITRATION.

If a **claim** is made under this policy and **we** disagree as to the **Insured's** entitlement to coverage or as to the amount of benefits that are payable, **we** shall provide the **Insured** with a written statement of position. This statement shall set forth the basis for **our** disagreement and advise the **Insured** of the **Insured's** right to have said disagreement resolved through arbitration. The **Insured** may invoke the arbitration process by filing with **us** a written demand for arbitration, postmarked no later than thirty days after the date on which the **Insured** received **our** statement of position. Failure to file a timely demand for arbitration shall constitute a waiver of the **Insured's** right to challenge **our** position with regard to the **Insured's** eligibility for or amount of the **Insured's** coverage under this policy. Any arbitration held under this condition shall be conducted pursuant to the Commercial Arbitration Rules of the American Arbitration Association. The arbitration shall be held at a location near the **Insured's** residence. In any such arbitration, NEA shall have the right to present evidence, make arguments, and otherwise participate as if it were a party to the arbitration. The decision of the arbitrator shall be final and binding upon all parties.

C. ASSIGNMENT.

The **Insured's** rights to coverage under this policy are personal. The **Insured** may not assign or otherwise transfer said rights to any other person or organization.

D. ASSISTANCE AND COOPERATION.

The **Insured** shall cooperate with **us** and upon **our** request shall attend hearings and trials and shall assist in effecting settlements and obtaining the attendance of witnesses. The **Insured** shall not, except at the **Insured's** own cost, voluntarily make any payments, assume any obligation, or incur any expense other than for such immediate medical and surgical relief to others as shall be imperative at the time of the **occurrence**.

E. CANCELLATION OR NON-RENEWAL.

This policy may be canceled by the **Insured** for any reason by mailing written notice to **us** stating when thereafter such cancellation shall be effective. This policy may be canceled by **us** only for non-payment of premium.

When **we** cancel this policy, **we** shall do so by mailing to the **unit** named in the declarations page and to the NEA at 1201 16th Street, Northwest, Washington, DC 20036, written notice stating when, no less than forty-five days thereafter, such cancellation shall be effective. When either the **Insured** or **us** cancels this policy, premium adjustment shall be computed on a pro rata basis and made at the time cancellation is effected, or, if not at that time, as soon thereafter as practical after cancellation becomes effective.

This policy is written for the policy period stated in the declarations page. It will terminate on the expiration date and does not automatically renew.

F. CHANGES.

Notice to any agent or knowledge possessed by any agent or by any other person shall not: (1) effect a waiver or a change in any part of this policy; or (2) stop **us** from asserting any right under the terms of this policy. The terms of this policy shall not be waived or changed, except by

endorsement issued to form a part of this policy. Such an endorsement must be signed by an authorized representative of NEA, and countersigned by an authorized representative of ours.

G. NOTICE OF CLAIM.

If **claim** is made against the **Insured**, the **Insured** shall immediately forward to **us** every demand, notice, summons, or other process received by the **Insured's** representatives.

H. NOTICE OF OCCURRENCE.

When an **occurrence** takes place which the **Insured** reasonably believes might result in a **claim** covered by the policy, written notice shall be given by or on the **Insured's** behalf to **us** or any of **our** authorized agents as soon as practicable. Such notice shall contain particulars sufficient to identify the **Insured** and also reasonably obtainable information respecting the time, place, and circumstances of the **occurrence**, as well as the names and addresses of the injured and of available witnesses.

I. OTHER INSURANCE.

This is a manuscript policy and is personal to the individual **Insured** named herein. It was written and priced to reflect the intent of all parties that this policy is in excess of any and all other insurance policies, insurance programs, self-insurance programs, and defense and indemnification arrangements whether primary, excess, umbrella, or contingent and whether collectible or not, to which the **Insured** is entitled or should have been entitled, by contract or operation of law, to coverage, or to payment including, but not limited to, payment of defense and/or indemnification. Further, it is the intent of the parties that the coverage afforded in this policy does not apply if the **Insured** has other valid and collectible insurance of any kind whatsoever whether primary or excess, or if the **Insured** is entitled to defense or indemnification from any other source whatsoever, including by way of example only, such sources as state statutory entitlements or provisions, except any excess beyond the amount which would have been payable under such other policy or policies or insurance program or defense or indemnification arrangement had this policy not been in effect. Other valid and collectible insurance includes, but is not limited to, policies or insurance programs of self-insurance purchased or established by or on behalf of an **educational unit** to insure against liability arising from activities of the **educational unit** or its **employees**, regardless of whether or not the policy or program provides primary, excess, umbrella, or contingent coverage. The **Insured** shall cooperate with the Company to determine the existence, availability, and coverage of any such other insurance policy, insurance program, or defense or indemnification arrangement.

This policy is specifically excess over coverage provided by school district or school board errors and omissions or general liability policies purchased by the **Insured's** employer or former employer and it is specifically excess over coverage provided by any School Leaders Errors and Omissions Policy purchased by the **Insured's** employer or former employer and it is specifically excess over coverage provided by any policy of insurance which purports to be excess to or recites that it is excess to a policy issued to the **Insured** for the benefit of members of the National Education Association.

If it is determined that **we** must contribute to the coverages provided in Section III of this policy with any other valid and collectible excess insurance, **our** contributing limit of liability shall be determined and paid as follows:

1. computed on a pro rata basis if **our** limit of liability is less than any other valid and collectible excess insurance limit of liability, with **our** limit of liability computed by dividing **our** limit of liability by the sum of **our** limit of liability plus any other insurer's limit of liability, then multiplying the result by the amount that the **Insured** would have been entitled to receive under Section III of this policy if there were no other valid and collectible insurance; and/or

2. computed on a limit of liability basis if **our** limit of liability is greater than any other valid and collectible excess insurance limit of liability, with **our** limit of liability computed by dividing **our** amount of liability as if there were no other valid and collectible insurance, divided by the sum of **our** limit of liability as if there were no other valid and collectible insurance plus all other valid and collectible insurance limits of liability as if there were no other valid and collectible insurance for their liability, then multiplying the result by the amount that the **Insured** would have been entitled to receive under Section III of this policy if there were no other valid and collectible insurance.

J. SEVERABILITY.

In the event any part of this policy shall be declared or adjudged invalid or unconstitutional, such adjudication shall in no manner affect any other parts of this policy. All other parts shall remain in full force and effect, as if the part so declared or adjudged to be invalid or unconstitutional were not originally a part hereof.

K. SUBROGATION.

In the event of any payment under this policy, **we** shall be subrogated to all the **Insured's** rights of recovery therefore against any person or organization and the **Insured** shall execute and deliver instruments and papers and do whatever else is necessary to secure such rights. The **Insured** shall do nothing after **loss** to prejudice such rights.

L. TERMS OF POLICY CONFORMED TO STATUTE.

Terms of this policy which are in conflict with the statutes of the state wherein this policy is issued are hereby amended to conform to such statutes.

ADDENDUM TO THE DECLARATIONS

In Witness Whereof, we have caused this policy to be executed and attested, and, if required by state law, this policy shall not be valid unless countersigned by our authorized representative.
