November 13, 2019

Dear Member:
Next week we celebrate American Education Week, which is our opportunity to celebrate public education in Kentucky and honor and acknowledge the amazing work that educators do each and every day across our Commonwealth. November 18-22 marks the 98th annual celebration of American Education Week.
The 2019 theme is: "Reach, Educate and Inspire." During the week, different days are set aside to honor the entire team of people who work in public schools, everyone from the bus driver and classroom teacher to the cafeteria worker and administrative staff and countless others. The celebration is also an opportunity for school and community leaders to renew their commitment and support for high-quality public education for all students.
