

KENTUCKY EDUCATION ASSOCIATION Training Programs

The Kentucky Education Association offers a variety of training sessions for schools, districts, local KEA leaders and local KEA associations. Some are offered on a statewide basis, others can be brought into your local area. Most can be adapted to meet local needs. For further details about scheduling and pricing of Professional Learning please contact your local UniServ Director or Michelle Grimes Jones, KEA Director of Professional Excellence, at michelle.jones@kea.org.

Student Loan Dept Supports

- **SAVI Training**

The CARES and SAVI webinar helps KEA members who are currently suffering under student loan debt. Our goal is for members to have a better understanding of how they can achieve loan forgiveness with the help of NEA Member Benefits and our loan navigator, SAVI. The CARES Act provides significant relief for those who have debt and we explore in this session how members can use CARES to achieve even greater forgiveness.
