

KENTUCKY EDUCATION ASSOCIATION Training Programs

The Kentucky Education Association offers a variety of training sessions for schools, districts, local KEA leaders and local KEA associations. Some are offered on a statewide basis, others can be brought into your local area. Most can be adapted to meet local needs. For further details about scheduling and pricing of Professional Learning please contact your local UniServ Director or Michelle Grimes Jones, KEA Director of Professional Excellence, at michelle.jones@kea.org.

Informational Topics for All Educators

- **School Law for School Employees**

This training presents an overview of the statutes, regulations, and policies that most often affect public school employees. The duration of the training can be adapted to the level of intensity desired by the audience. Please contact KEA Headquarters Legal Services Department to request this training.

- **Social Networking**

This one (1) hour session explores the dangers and potential liabilities that school employees may face in using social networking websites and in engaging in friendships with students. Please contact KEA Headquarters Legal Services Department to request this training.

- **Student Assaults**

This one (1) hour presentation deals with the legal rights of school employees who are injured because of a student assault. It is intended for all public-school employees. Please contact KEA Headquarters Legal Services Department to request this training.
