KEA's Awards and Scholarships salute excellence in education

EXCELLENCE IN EDUCATION

The Award for Teacher of the Year and ESP of the Year are the highest honor KEA gives for excellence in education. I am sure you know a colleague or two who deserves to be nominated.

Give her or him a chance at this award. The honor also comes with a cash award of \$1,000.

EXPAND YOUR EDUCATION

Take a look at the other opportunities that KEA provides its members in the form of scholarships, grants, and awards. Details regarding these opportunities are listed in the following:

- Rank II
- Rank I
- NBCT
- NBCT Maintenance of Certification
- ESP Continuing Education

Professional Learning Catalog

A highlight to KEA membership is the ability to access over 200 professional learning opportunities provided by KEA and NEA.

Virtual Booklets

KEA's virtual booklets were created by practicing Kentucky educators with the intent to support educators with issues they may encounter in their work. They are interactive, with many links to additional resources, videos, podcasts, etc., that will help educators gain deeper knowledge in an area of their choice.

Praxis Core Support

KEA's Praxis Core sessions support aspiring educators and those seeking to certify within the area of Education. Praxis Core Prep focuses on the important need for KEA to support, recruit, and retain educators and meet the needs of every student in Kentucky.

National Board Support

National Board Certified Teachers are highly accomplished educators who meet high and rigorous standards set by the National Board for Professional Teaching Standards (NBPTS).

Kentucky currently has more than 3,500 NBCTs. Kentucky Education Association has been an active supporter of the National Board and is proud of its support of candidates, NBCTs, mentors, and the KY NBCT Network members who make the program work to meet the needs of every student in Kentucky.

T² Program

The T² program is designed to help educators foster a deepening of subject matter knowledge, a greater understanding of learning, and a greater appreciation of students' needs. KEA will reimburse educators who spend time working together, observing, and planning joint strategies for solving classroom problems.
