

Teaching and Learning Committee Report to KEA Delegate Assembly

Submitted: March 30, 2026

Committee Chair: LeeAnn Lewis

Committee Vice Chair: Jana Bryant

Committee Members:

Executive Board Liaison: Joel Wolford

Staff Liaison: Michelle G. Jones

1. Discussed an Overview of Professional Excellence Work

Asynchronous & Synchronous learning options are available to members.

Promotion of the T2 Program and testimonials for completers.

National Board Supports- we will focus on MOC for NBCT and continue our support for the NBCT Network & NBCT Recognition Ceremony.

With other CEO's we have a segment of population that do not have additional endorsements in areas to provide these opportunities to students. So, we need to be prepared for upcoming shortages of teachers needing degrees to teach AP and Dual Enrollment Opportunities.

2. Collaboration with Higher Education Update

Update on our collaboration with Campbellsville University- continue with our 10% discount

We are open for suggestions for other Higher Ed. Collaboration options and other colleges with potential discount opportunities.

KRAA Status Update

Cohort	Candidates	Mentors	Completers
1	47	6	14
2	22	4	6
3	13	3	3
4	10	6	2
5	24		4
6	14	2	
7	6	1	
L	11 (some moved)	1	

3. Updating Professional Learning Offerings in Learn & Lead

A full review of all courses has been completed.

Any webinar older than 3 years has been archived.

All newly created courses have been added to the portal for interactive course offerings available to members.

New Courses being created are interactive courses developed by members through Design Institutes.

4. Updating Professional Learning New Educator Booklets

We have worked on updating links to all of our booklets and they are posted up on the website.

5. Promotion of Professional Learning

We continue to struggle with getting the message out about our offerings and we are trying multiple avenues to share information. If association leaders have positive relationships with school districts we would like to start visiting central office PD coordinators to help get our opportunities out.
